You can use any service station in which you have confidence-you don't have to pick from some special authorized list.

If your set is a portable, you take it in for service. For larger sets, your servicemen will come to your home. Just present your warranty registration card and RCA pays its normal charges.

If your picture tube becomes defective during the first two years, we'll give you an exchange-for a rebuilt tube (except for installation during the first year). If you buy an in-the-home service contract, the warranty covers labor, too. It doesn't cover accidents, misuse, or damage caused by unauthorized adjustment of customer controls.

RCA's exciting TV package guide to watching TV sports is a must for every sports fan. It tells you how sports events are telecast, so you can better enjoy each telecast. It's a $1.00 value for only 25¢* at participating dealers. Hurry, while supply lasts!

"A Living Soul"

Genesis 2:7 "And the Lord formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." From this verse we find that God made man a living soul. The soul is in the likeness of God because God will never die. In like -manner we will never die as far as the soul is concerned The natural body will die and go back to dust of the earth, where is came from but the soul lives on. Therefore by having a living soul that never dies, God made a way of escape for the soul. Through the blood of Jesus shed on the cross we can have life everlasting with God. If we fail to commit our soul to God we will spend eternity in everlasting destruction with Satan and his angels that cost of Heaven.

Matt. 16:26 "For what is a man profited if he shall gain the whole world, and loose his own soul? Or what shall a man give in exchange for his soul?"
